Eligibility: Requirements and Conditions of the Ministry Worker Discount:

- The student must be employed as a Christian worker or be the dependent of a Christian worker who works full-time in a Christian nonprofit organization (missionary, pastor, Christian school teacher/administrator, etc).
- The family's primary source of income must come from employment in full-time ministry. Volunteer work or other employment does not apply.
- A dependent is a spouse or child who is listed as a dependent on either FAFSA or IRS 1040 forms.
- Must demonstrate need as determined by the Free Application for Federal Student Aid (FAFSA).
- The first year that application is made, a letter of recommendation is requested from the governing body of the nonprofit organization stating that the parent/spouse is employed and in good standing.
- Must reapply each school year with this form.
- All awards are awarded by the Scholarship Committee.
